Dear Carolyn:

I am pleased to have the opportunity to bring you good news. Florida has a Wildflower license plate! The bill has passed the legislature and is on its way to the Governor. We have requested a signing ceremony and I will keep you posted on how the request progresses.

On behalf of the entire Wildflower License Plate Initiative Board, I want to thank you for the support and the leadership you provided in helping to get the plate established. I also want to thank the sponsors of the legislation, Representative Kosmas and Senator Kirkpatrick, along with all of the co-sponsors that contributed to the passing of the bill.

We are in the process of working with the various groups named in the legislation to get the appointments made so we can convene the first meeting of the Wildflower Advisory Council that was created in the bill. I will also keep you posted regarding the scheduling of the first advisory council meeting and will extend a special invitation to you to attend the meeting.

Once again, I thank you for your help and congratulate you on a job well done. Please let me know if you have any questions. I can be reached at (800) 688-1959.

Sincerely,

A handwritten signature in blue ink that reads 'Frank Walper'.
